Final Note by the First Member of Council.

Subject:— *Increase of pay to Mr.Y.Narasinga Rao, Superintendent, Sandalwood Oil Factory, Bangalore.*

Reference is invited to my Final Note dated the 26th November 1917, recommending that the pay of Mr.Y.Narasinga Rao, Superintendent, S.O.F., Bangalore, may, for reasons given therein, be fixed at Rs.500 per mensem and His Highness' orders thereon.

2. Sir Alfred Chatterton states that Mr.Narasinga Rao has for the past 2½ years been doing very good work at the Factory and recommends that he may be given the grade of Rs.500-50-800 and started on Rs.600 per mensem from 1st April 1920.

3. The question of the arrangements to be made for the final management of the Factories is under consideration in connection with my confidential note. It does not seem therefore desirable to commit ourselves at this stage to give any graded pay to the Superintendent and it will also cause considerable inconvenience in case he is put into any such grade, if it is eventually decided to make other arrangements for the superintendence of the Sandal Oil Factories. As the appointment, however, is one of great responsibility and the Superintendent practically controls an industry worth nearly £ 4,00,000, it is necessary to give him an adequate salary.

4. The matter was considered in Council at their meeting on the 24th June 1920 and they are of opinion that his pay as Superintendent may be fixed at Rs.600 per mensem from 1st July 1920 and that the question of fixing a grade may be dealt with when considering my confidential note on the factories. The Financial Secretary has no objection to the proposal.

The resolution of the Council may be graciously approved.

B a n g a l o r e .

DEAR SIR,

I have the honour to recommend that Mr. Y. Narasinga Rau be put on a graded salary of Rs.500-50-800. This was the scale of pay arranged for the Superintendent of the Bangalore Factory in 1916, when the business was less than half of what it is at the present time.

Mr. Y. Narasinga Rau has now been in charge for two years and a half and the excellent results achieved during the last two years under unprecedented difficulties justify my asking that he should be promoted with effect from the date of his joining the factory. Though it may not be necessary to make the promotion retrospective in regard to increments, I suggest that he be given Rs.600/- a month from the 1st of April and that his next increment become due in August next.

I have the honour to be,
Sir,

ALFRED CHATTERTON, Esq., F.C.G.I., C.I.E.,
Director of Sandalwood Oil Factories in Mysore,

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education and Agriculture.

DEAR SIR,

I have the honour to raise the question of the pay of the Superintendent of the Bangalore Sandalwood Oil Factory. In the beginning when I left Bangalore on special duty with the Government of India, Mr. C. Ranganatha Rao Sahib was appointed Superintendent of the Bangalore Factory and Mr. B. Sitaramachar Superintendent of the Mysore Factory and their pay was fixed at Rs.500-50-800 per month. In the course of the year 1917, the then Dewan requested me to agree to the transfer of Mr. C. Ranganatha Rao Sahib to the Industries and Commerce Department and I agreed verbally on condition that his successor should receive the same rate of pay as he would be entrusted with the same degree of responsibility. Eventually, Mr. Y. Narasinga Rao was appointed and, after some discussion, his pay was raised to Rs. 500 per month. Vide Government Order No.5690-2/I.& C.47-17-17 dated the 15th of December 1917. This Government Order was not in accordance with the terms of the verbal agreement as the salary of the Superintendent was permanently fixed at Rs.500 per

month

month, whereas it had been arranged that it should be the same as was enjoyed by Mr. C. Ranganatha Rao Sahib. Mr. Y. Narasinga Rao completed one year's service under this new arrangement on the 8th of December last and I have now to request that his salary should be placed on the basis of Rs.500-50-800 per month from the 8th of December 1917. The Superintendent of the Bangalore Factory is not only responsible for the work of the Factory but is also in charge of my office and when I am away, he is responsible for the details of the whole of the business transactions. Last Year, in 1918, the receipts amounted to 27 lakhs of rupees and this year it is hoped that they will be considerably larger. Moreover, I shall be away in Europe for a considerable part of the time. I therefore do not consider that the proposed scale of pay, in reference to the importance of the appointment, is at all excessive.

I have the honour to be,

S i r,

Your most obedient servant

Director.
